

## **Mill Operator**

Location: Cattle

This position is responsible for mixing ingredients for cattle feed and assisting with the upkeep of mill facilities.

### **Essential Functions include but are not limited to the following:**

- Review daily assignment.
- Haul product from Pit to Mill (truck to loader).
- Assist in receiving commodities and determining moisture content.
- Closely watch roll corrugation to maintain flake quality and production output.
- Participate in all aspects of the feed milling operation.
- Prepare production records.
- Maintain general housekeeping in and around the mill area.
- Perform and/or assist in preventative maintenance and repair of mill equipment.
- Comply with all ISO/HACCP and OSHA/Safety procedures, rules, and regulations.

### **Qualifications:**

- High School diploma or general education degree (GED); or 1-3 month's related experience and/or training; or equivalent combination of education and experience.
- Ability to add and subtract two digit numbers and to multiply and divide. Ability to perform these operations using units of weight measurement, volume, and distance.
- Knowledge of cattle feedlot industry highly desirable
- Good interpersonal, written, and verbal communication skills
- Organized with strong attention to detail
- Ability to work well in a team environment

### **Work Environment/Physical Demands:**

While performing the duties of this job, the employee is regularly exposed to fumes or airborne particles and is frequently working near moving mechanical parts, toxic or caustic chemicals. The work environment and machinery exposes the employee to regular vibration. The employee is occasionally exposed to work in high, precarious places, and outdoor weather condition. The noise level in the work environment is usually loud.

Ability to meet physical demands of the job includes but is not limited to: regularly sit, frequently required to climb or balance, occasionally required to walk and use hands to finger, handle, or feel. The employee must occasionally lift and/or move up to 100 pounds with assistance. Specific vision abilities required by this job include distance vision, peripheral vision, depth perception and ability to adjust focus.

*To perform this job successfully, an individual must be able to perform each essential duty satisfactorily. The requirements listed are representative of the knowledge, skill, and/or ability required. Reasonable accommodations may be made to enable individuals with disabilities to perform the essential functions. Other duties may be assigned.*
